

Lodz Film School

Dear Madame,

On behalf of authorities and students of National Film School of Lodz I would like to thank you for the great cooperation. The workshops you had run was absolutely unique , inspiring experience that gave participants urge to artistic movement and personal development as well. Meeting you and work with you was also great opportunity for us – lecturers, teachers and artists . Your bright personality , your professional experience and deep intellectual reflection gave us incredible pleasure of watching your work and discuss it. We do hope you have enjoyed visiting us and you came back home with good memories and impressions. We also believe that the time you had spent In Lodz was the good background to develop our partnership and friendship and spread it for following common projects.

Yours sincerely,

Zofia Uzelac , Professor , PhD
The Dean of Actor Department
Film National School of Lodz
